SUPREME ULTRATUFTED CARPET TILES

DERIVED FROM THE COBALT COLLECTION, THE COUNTRY COLLECTION FEATURES ALL COLOURS, BENEFITS AND STRENGTHS OFFERED BY THE COBALT RANGE. HOWEVER, COBALT IS PROCESSED BY USING OUR ULTRATUFT TECHNOLOGY, ADDING NOT ONLY A UNIQUE FEEL TO THE TILES, BUT ALSO EXTRA DURABILITY.

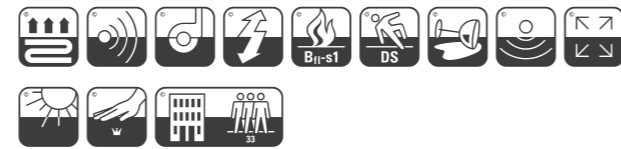

EXPERIENCE THE ADVANTAGES OF OUR ULTRATUFT TECHNOLOGY
The Ultratufted fine gauge condensed pile combines the ambience of a solid floor with the cleaning comfort of textile, making it a supreme option in very heavy commercial use, as in industrial offices, banks, public areas, hospitals, schools, municipal buildings, airports, shops and call centres

COUNTRY

- **Flammability resistance:** BflS1 according to EN 13501-1
- **Castor chair:** Class A according to EN985
