TIME

de Vorhang auf! Film ab!

Von Programm kino bis Multiplex, von Musicaltheater bis Schauspielhaus – tauchen Sie ein in die faszinierende Welt der Traumfabrik und der darstellenden Künste.

Der Design Guide SHOW TIME zeigt die vielseitigen Facetten individueller Rauminszenierungen für Kinos und Theater und eröffnet auf jeder Seite eine neue Welt – ein Mix aus damals, heute und morgen. Von klassisch elegant bis schillernd und ausgefallen. Dank der visuellen Ausdruckskraft eines Teppichbodens gelingt es, ein Ambiente zu schaffen, das den hohen Erlebniswert eines Kino- oder Theaterbesuches unterstreicht.

Innovative, hochwertige Teppichböden wirken nicht nur optisch und haptisch, sondern erfüllen auch hohe Ansprüche an Belastbarkeit und Ergonomie. Sie sind unempfindlich und strapazierfähig, wirken sich vorteilhaft auf Tritt- und Raumschallwerte aus und sorgen für ein wärmeres Raumgefühl. Unser kompetentes Designteam entwickelt in Zusammenarbeit mit Inneneinrichtern, Architekten und Eigentümern einzigartige Lösungen für jedes Objekt. Dabei wird die Teppichbodengestaltung exakt auf den Bauplan des Gebäudes abgestimmt – ganz individuell.

en Curtain up! Run the film!

Whether art house cinemas, multiplexes, musical theatres, playhouses and more: Immerse yourself in the fascinating world of Tinseltown and the performing arts.

The SHOW TIME design guide demonstrates how versatile customized spatial installations can be for cinemas and theatres. A mix of then, now and tomorrow, it reveals a new world on every page, ranging from classically elegant to dazzling and outlandish. Thanks to the expressive visual power of a carpet, it is possible to create an ambience that underscores the special nature of a visit to the cinema or theatre.

Innovative, high-quality carpets not only have a visual and tactile impact, but also meet high demands with respect to resilience and ergonomics. They are resistant and durable, improve footfall and room sound levels, and create a warmer feeling in the respective space. Our expert design team works with interior designers, architects and owners to develop unique solutions for each property. In the process, the carpet design is precisely coordinated with the building's construction plan – just as it was drawn up.

fr Lever de rideau ! Que le film commence !

De la salle d'art et d'essai au multiplexe, du théâtre à la salle de spectacles, plongez-vous dans le monde fascinant de la fabrique des rêves et des arts du spectacle.

Le guide SHOW TIME présente les multiples facettes de scénographies individuelles pour cinémas et théâtres et ouvre un nouveau monde à chaque page : un mélange d'autrefois, d'aujourd'hui et de demain, de l'élégance classique à l'extravagance chatoyante. Grâce à l'expressivité visuelle d'une moquette, il est possible de créer une ambiance qui accentue l'expérience d'une séance au théâtre ou au cinéma.

Les moquettes innovantes à haute valeur ajoutée ne sont pas seulement agréables aux sens, elles répondent à des exigences élevées de robustesse et d'ergonomie. Elles sont résistantes et durables, amortissent les bruits de pas et le bruit ambiant et donnent de la chaleur à la pièce. Notre équipe de design développe, en collaboration avec les décorateurs d'intérieur, les architectes et les propriétaires, des solutions uniques pour chaque objet. Ainsi la moquette est parfaitement adaptée aux plans du bâtiment, de manière complètement individualisée.
