tessitura collection

COORDINACIÓN DE COLOR / Color Coordination

Tessitura collection abre las puertas de la inspiración a arquitectos, diseñadores e interioristas. **vertisolwall** es una solución de revestimiento de paredes de acabado textil. La amplia paleta de colores permite encajar en cualquier tipo de espacios.

Tessitura collection opens the doors of inspiration to architects, designers and interior designers. **vertisolwall** is a wall covering solution with a textile finish. The wide palette of colors allows it to fit into any type of space.

CLASIFICACIÓN DE FUEGO / Fire Classification

La resistencia al fuego del revestimiento de pared de **vertisol** es el claro ejemplo de la funcionalidad que acompaña a la estética. **vertisolwall** cumple con la normativa más estricta en materia de incendios, probado por laboratorios independientes con resultados satisfactorios.

The fire resistance of **vertisolwall** cladding is the clear example of functionality that accompanies aesthetics. **vertisolwall** complies with the strictest fire regulations, tested by independent laboratories with satisfactory results.

Resistencia Resistance

Hemos desarrollado una solución textil para paredes con una excelente resistencia a la abrasión y durabilidad, basada en nuestros conocimientos y tecnología adquiridos como tejedores. Ofrecemos una garantía de 5 años.

We have developed a textile solution for walls with excellent abrasion resistance and durability, based on our knowledge and technology acquired as weavers. We offer a 5-year warranty.

Libre de ftalatos Phthalate-free

El equipo de **vertisol** trabaja para desarrollar una solución sin productos potencialmente nocivos para el medio ambiente y la salud humana, como los ftalatos.

vertisol team is working to develop a solution free of products that are potentially harmful to both the environment and human health, such as phthalates.

Mantenimiento Maintenance

vertisolwall se adapta con facilidad a todo tipo de paredes, esquinas, enchufes e interruptores, entre otros. Es un producto de fácil limpieza y mantenimiento resistente a todo tipo de detergentes.

vertisolwall easily adapts to all types of walls, corners, sockets and switches, among others. It is an easy to clean and maintain product, resistant to all types of detergents.

Sostenibilidad Sustainability

Nos aseguramos de que los procesos internos de fabricación y las materias primas que utilizamos no afecten negativamente a la salud de las personas y preserven el medio ambiente, entre otras cosas, evitando el uso de agua.

We ensure that in-house manufacturing processes and the raw materials we use do not adversely affect people's health and preserve the environment, among others, by avoiding the use of water.

* More **vertisolwall** colors available. Please contact our sales department.
** The colors in the **vertisolwall** Collection are compatible with **vertisolacoustic**.

All specifications are based on average values and may deviate. The values are for guidance and are not contractual. Subject to technical modifications. The straight weft is not an inherent condition. Weaving technology features colour effects because of light, making it an exclusive and unique product. Also bicolour yarns create a randomly harmonious effect. These effects are no ground for claims.

Todas las especificaciones están basadas en promedios y pueden variar. Los valores son una guía y no son contractuales. Están sujetos a modificaciones técnicas. La trama recta no es una condición inherente. La forma en que está tejido provoca efectos de color a casusa de la luz, convirtiéndolo en un producto único y exclusivo. Los tejidos bicolor crean un efecto armónico aleatorio. Estos efectos no son motivo de reclamación.
